# LEAD POISONING THE SILENT MENACE...

---

This young man  
may have  
behavior  
problems  
because his  
mother was  
exposed to lead  
as a child.

---

A young boy with dark hair, wearing a blue zip-up jacket with yellow trim, is shown in profile, smiling and painting a colorful abstract picture on a canvas. The background is dark, and the canvas is filled with vibrant green, yellow, and orange brushstrokes.

# LEAD POISONING THE SILENT MENACE...

---

This preschooler may fail the third grade unless he is protected from the lead dust in the home his parents are remodeling.
